

WICKLOW COUNTY DEVELOPMENT PLAN 2016-2022 v10

SUPPORT AMENDMENT 56 'THE ROCKS'

Deadline for support: 5.00pm on 26 August 2016

E1

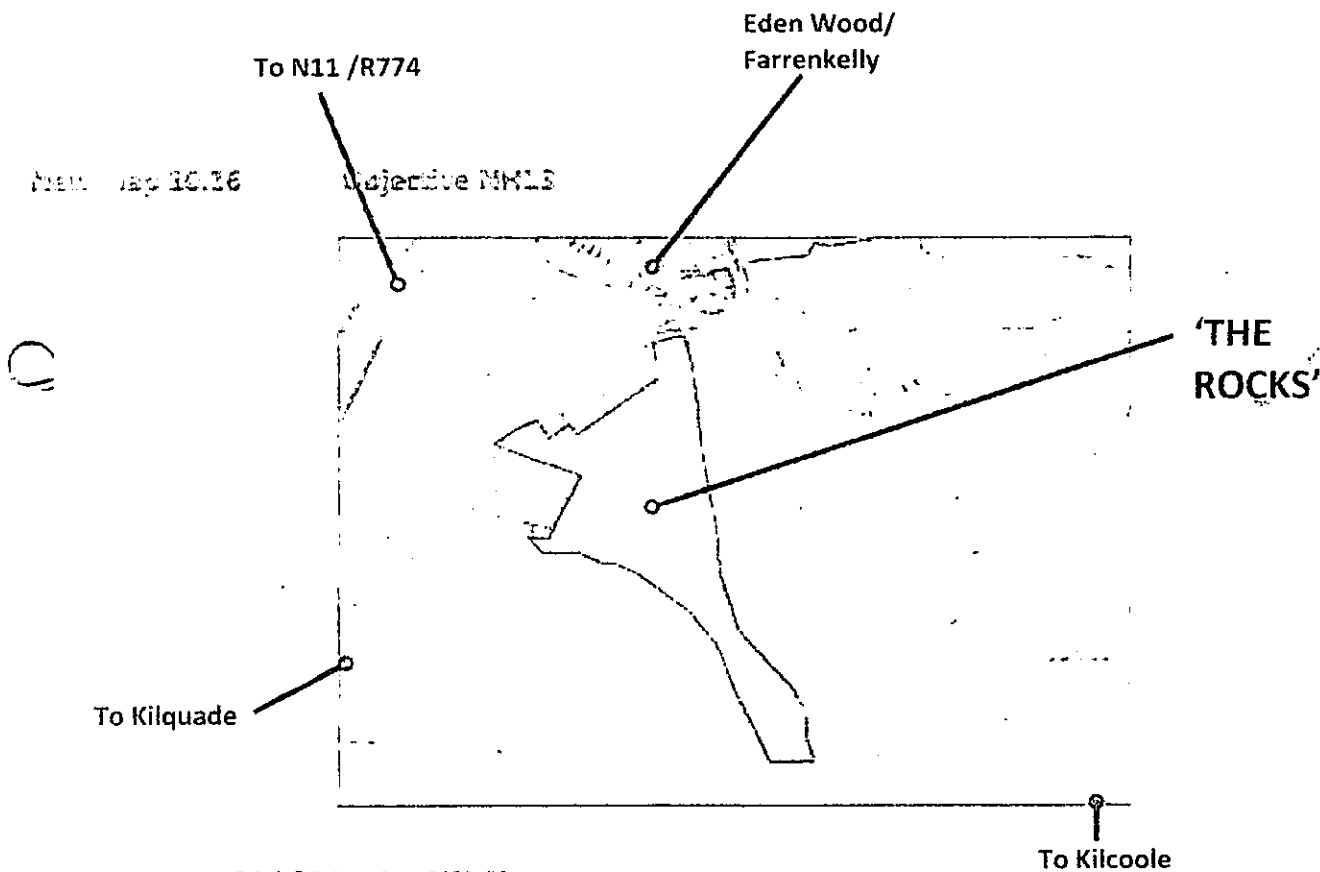

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Name: Sharon Allen Organisation (if any) _____

Email or/ Address: 4 Druids brook Idilcode Co Wicklow

Signature Sharon Allen

Amendment 56 / Objective NH-X:

"To preserve lands at 'The Rocks', Kilcoole (as show on Map 10.16) in its existing state, to allow no development of these lands; to protect the lands as a natural habitat and biodiversity area; to protect the open nature and landscape quality of the lands. (Map 10.16 Objectives NH13)."

Proposed by Cllr Tom Fortune and Seconded by Cllr Whitmore

ERT4

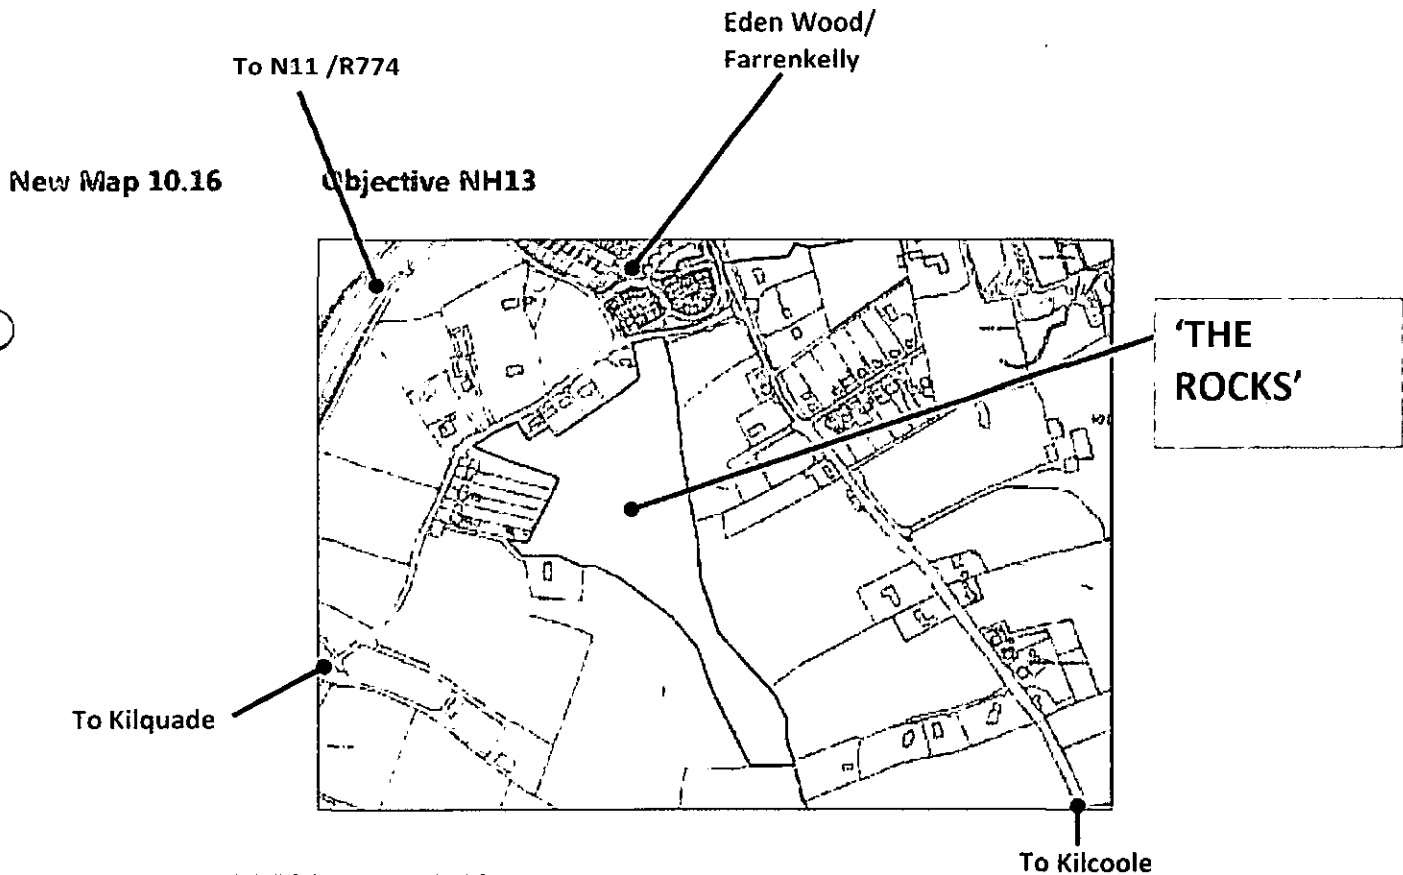

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

SUPPORT AMENDMENT 56 'THE ROCKS'

Deadline for support: 5.00pm on 26 August 2016

E76.

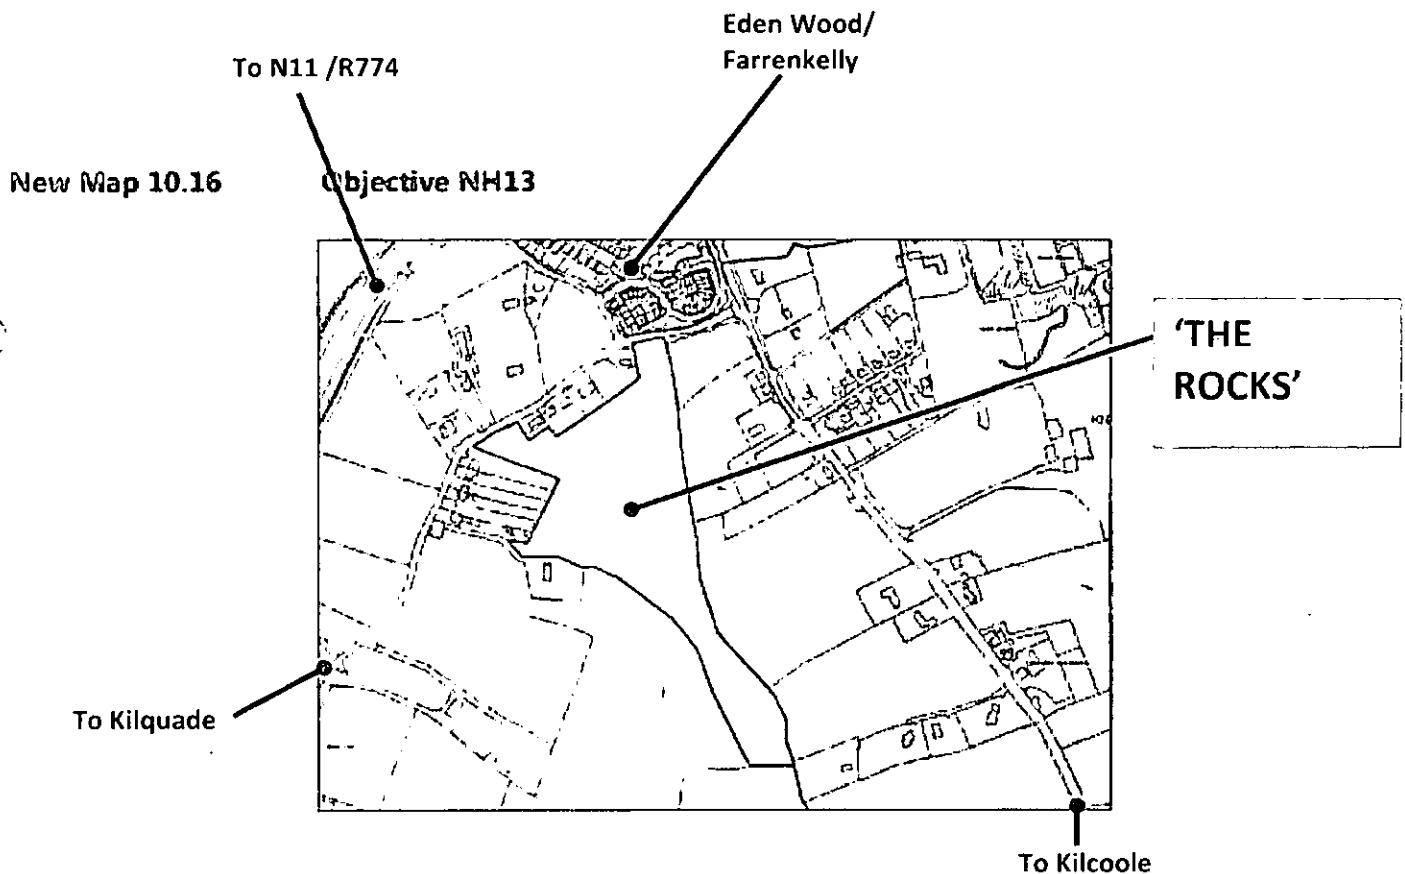

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support **Amendment 56** which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. **Amendment 56 strengthens this policy** by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and **outlaw the dump** currently being planned for this Glacial Valley.

SUPPORT AMENDMENT 56 'THE ROCKS'

Deadline for support: 5.00pm on 26 August 2016

E134

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support **Amendment 56** which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. **Amendment 56 strengthens this policy** by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and **outlaw the dump** currently being planned for this Glacial Valley.

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and **outlaw the dump** currently being planned for this Glacial Valley.

In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Amendment 56 / Objective NH-X:

To preserve lands at 'The Rocks', Kilcoole (as show on Map 10.16) in its existing state, to allow no development of these lands; to protect the lands as a natural habitat and biodiversity area; to protect the open nature and landscape quality of the lands. (Map 10.16 Objectives NH13).

Proposed by Cllr Tom Fortune and Secoded by Cllr Whitmore

Wicklow County Development Plan 2016-2022

SUPPORT AMENDMENT 56 'THE ROCKS'

Deadline for support: 5.00pm on 26 August 2016

E299

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

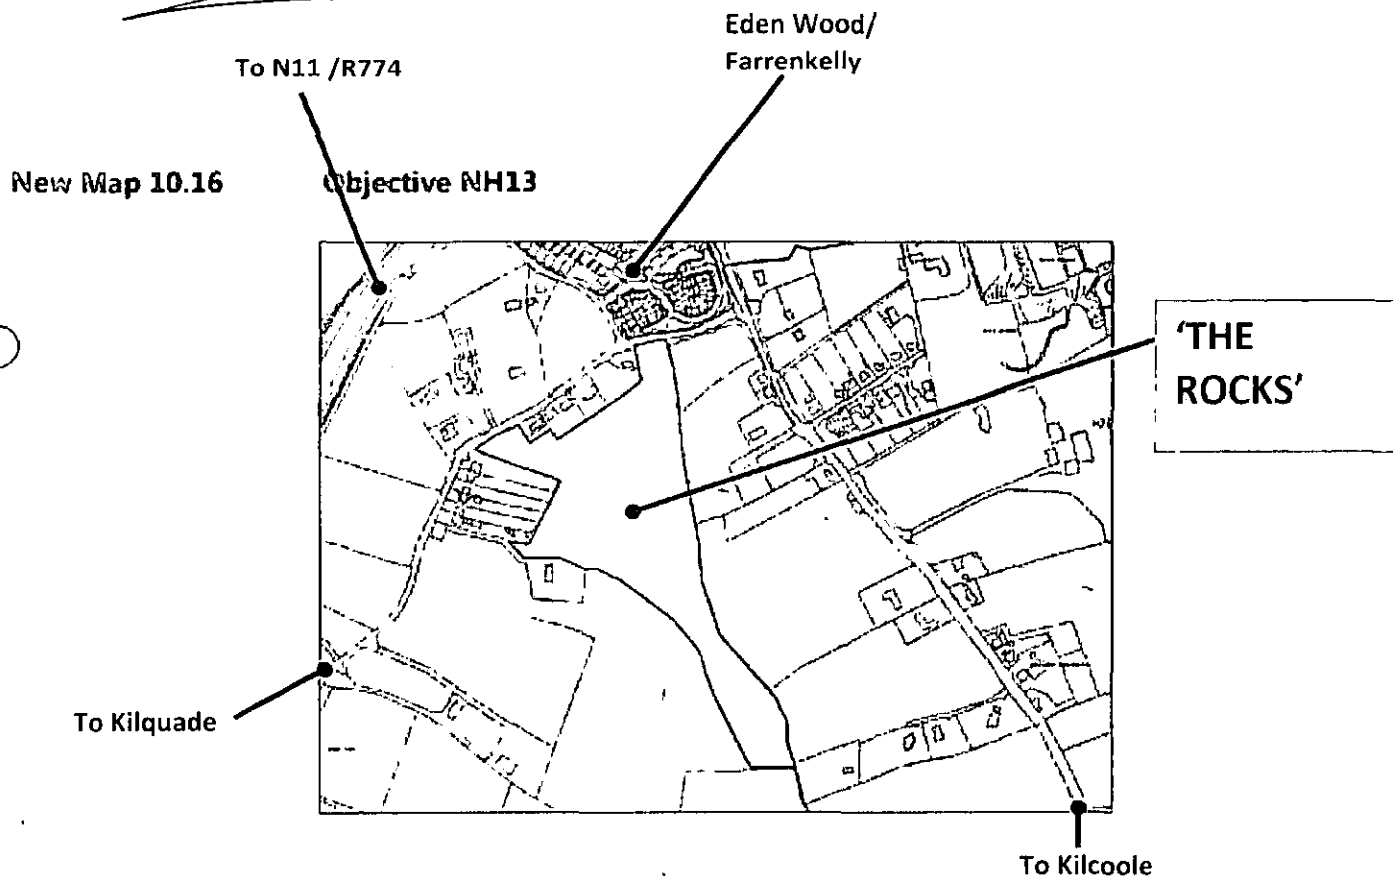

I wish to support **Amendment 56** which seeks to preserve the unique heritage of 'The Rocks' and protect a *wildlife environment* already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. **Amendment 56 strengthens this policy** by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and **outlaw the dump** currently being planned for this Glacial Valley.

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

SUPPORT AMENDMENT 56 'THE ROCKS'

Deadline for support: 5.00pm on 26 August 2016

E369

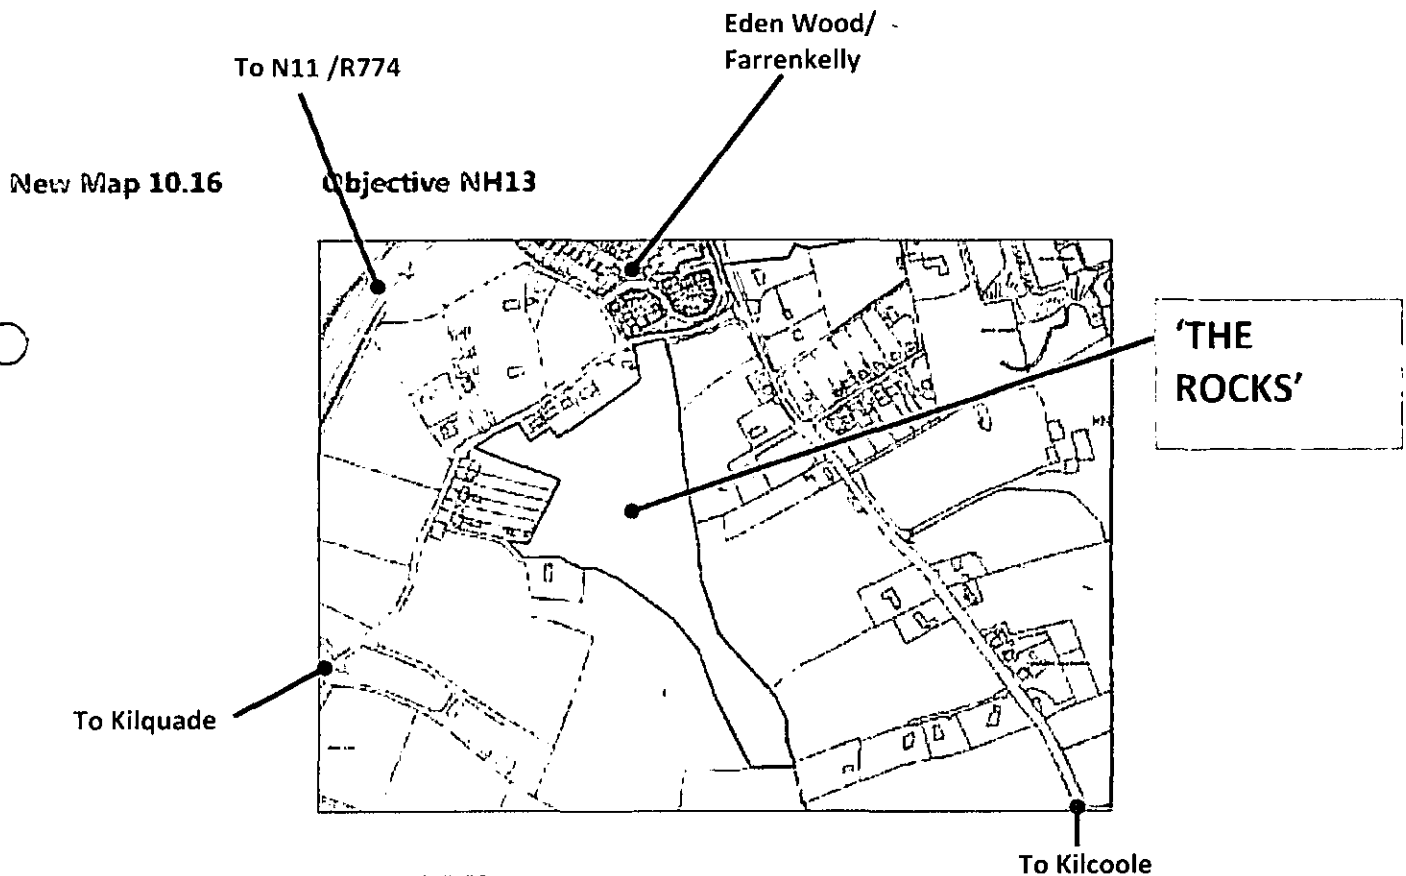

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently

being planned for this Glacial Valley.

Wicklow County Development Plan 2016-2022

SUPPORT AMENDMENT 56 'THE ROCKS'

Deadline for support: 5.00pm on 26 August 2016

EHIS

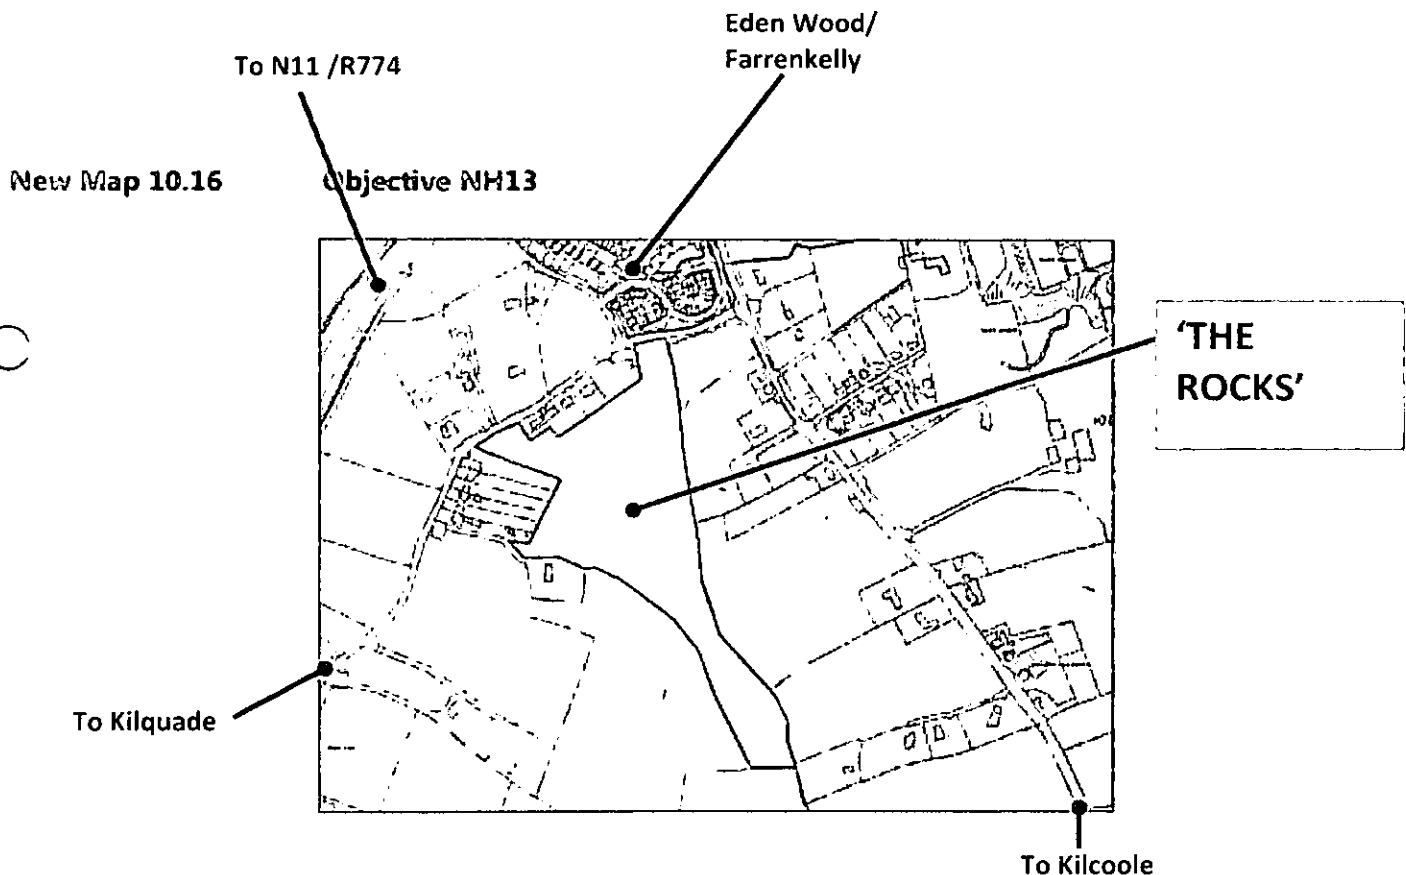

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Name: Mary Wallace Organisation (if any) _____

Email or/ Address: 35 Rockmanor Dr, Kilcoole,

Signature Mary Wallace

Amendment 56 / Objective NH-X:

To preserve lands at 'The Rocks', Kilcoole (as show on Map 10.16) in its existing state, to allow no development of these lands; to protect the lands as a natural habitat and biodiversity area; to protect the open nature and landscape quality of the lands. (Map 10.16 Objectives NH13).

Proposed by Cllr Tom Fortune and Seconded by Cllr Whitmore
