Community Development (incl. sports facilities & schools, etc.)

Submission

As a member of poulaphouca paddlers with three children also members, I would like to see land zoned for a clubhouse with appropriate bathroom and storage facilities.

The club is a wonderful addition to blessington with a multi generational membership. Adults who would otherwise not be active have found a home as have ourselves who are new to the area. The club is incredibly well run and organised with a very dedicated management.
