

Wicklow County Council
PLANNING AND DEVELOPMENTS ACTS 2000 (AS AMENDED) &
PLANNING & DEVELOPMENTS REGULATIONS 2001 (AS
AMENDED)
NOTICE OF THE PROPOSED DEVELOPMENT OF THE
WICKLOW PORT ACCESS ROAD LINK

In accordance with the provisions of PART XI of the Planning and Development Act 2000 (as amended) and Part 8 of the Planning and Development Regulations 2001 (as amended), Wicklow County Council hereby gives notice that it intends to construct the Wicklow Port Access Road Link scheme in the townlands of Bollarney North, Co. Wicklow.

The Wicklow Port Access Road Link scheme involves the development of a new pedestrian and cycle bridge over the Dublin to Rosslare Line, including access lifts and stairs to the station, and the provision of a new carpark and set-down area to the north of the station, alongside all associated landscaping and site works. The aim of the scheme is to provide a high-quality pedestrian and cycle link between the Wicklow Port Access Road (PAR), Wicklow Train Station and Station Road.

In accordance with Article 6(3) of the EU Habitats Directive (Directive 92/43/EEC) and Article 250(1) of the Planning and Development Regulations 2001 (as amended), the development has been the subject of an Appropriate Assessment Screening. The Screening determined that an Appropriate Assessment was not required as the Proposed Development would not be likely to have a significant effect on a European site.

In accordance with article 81 of the Planning and Development Regulations 2001 (as amended), Wicklow County Council has concluded from a preliminary examination pursuant to the provisions of Article 120(1)(b)(i) of the Planning and Development Regulations 2001 (as amended) that there is no real likelihood of significant effects on the environment arising from the proposed development and that an Environmental Impact Assessment is not required.

Where any person considers that the proposed development would be likely to have significant effects on the environment, he or she may, at any time before the expiration of 4 weeks beginning on the date of publication of this notice, apply in accordance with the provisions of article 120 of the Planning and Development Regulations 2001 (as amended), to An Bord Pleanála for a screening determination as to whether the development would be likely to have such effects.
