24/60396	Enda & Aine Dowling	P	03/07/2024	amendments and additions to works previously granted planning permission under planning application Reg. Ref: 24/60158. Proposed works include a small extension of the ground and first floor to the west façade and raising the roof eaves and ridge by 300mm to provide improved accommodation on the first floor. The works also encompass modifications to the roof profile at the entrance door on the north façade, the extension of the previously approved dormer on the northwest elevation, and a new chimney position. Additionally, the pergola will be extended to the east elevation, skylights will be added, and a flat roof will be constructed to the existing watershed. The project includes changes to internal layouts and corresponding modifications to some external doors and window openings.
