Submission

Hi,

I am making this request / submission in the hope that Wicklow County Council would see fit to designate sufficient land in the Blessington area (west Wicklow) to accommodate a new 400 meter track and associated facilities. This would be a facility that would be available to all the community- schools, local athletics club, community games etc. (would also provide a safe surface for older members of the population to be able to walk / exercise under lights in the darker months)

I feel with the growing population in Blessington, such a facility would be a great asset to both our young and older members of the community.

Thank you for your time.

Regards

James Woods
