Community Development (incl. sports facilities & schools, etc.)

Submission

I am a married father of two from Manor Kilbride. I would like to request land be provided for a 400m running track for use for schools, clubs and general public. My wife and myself enjoy the benefits of social running and would like this to pass to our family as they grow up in the area. A local swimming pool is also a priority as my two children have to take lessons in Naas and Rathfarnham respectively.
