## Topic

Community Development (incl. sports facilities & schools, etc.)

## Submission

It would be great to have space in the town marked out for a running track of at least 400 metres, with associated facilities. As an elderly [REDACTED] resident of Ballymore Eustace, I run all year round, and very much enjoy it. However I feel less and less safe running on the roads, and would love to have a track available for daytime and nighttime running.
