Submission

Hello, can I put in a submission to the local area plan to have sports pitches, playgrounds etc built on the northside of the Hawsktown road between the Rocky Road and the roundabout. The council are planning to zone half the area for amenities and half for housing but I think the whole area should be developed as a sports & recreation area, which would be great as we don't have anything like that in this part of the town. We also have no facilities to accommodate more people in the town as it stands. Thank you
