Read following letter from Dr Taylor Medical Officer of the Workhouse -

20th August 1910

Dear Sir,

With reference to the letter of Local Government Board N^o 52.119:1910 - enclosing a letter of complaint made by an inmate of this Union named O'Boole. I beg to state that as far as the statement that he is not getting medical treatment is concerned it is untrue -

This patient is always giving trouble, his mind is affected and he has an ungovernable temper - some months ago he threatened to write to complain to the Local Government Board but instead of doing so he left the institution and was treated in the South Dublin Union - When he returned here he stated that he was sorry he went away from here as he got much better treatment in this Workhouse - The Master has had necessity to report

him for insubordination —

He has a chronic ulcer on his forehead which is being dressed antiseptically - more than that I can't do. He is not on the hospital books as I do not consider that keeping him in hospital would improve his condition.

I may say that his insolence to all officials is unbearable —

Order — Satisfactory — J Short — 22.8.1910

=

Order — accepted at fee of £3:10:0 —

Bond Street, William Byrne, Strand Street, Wicklow, Peter Whelan
and Thomas Lary of Wexford Road of Arklow —
