The Clark's Account of petty Disbursements made by him since last Meeting, amounting to £: was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature.

- 1. The Weekly Relief List and Abstract.
- 2. The Provision Check Accounts.
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was

£ 74 > 1.8 d. (1)

Debit Provision Account, and Credit Invoice Account,

The Cost of Provisions and Necessaries consumed was

Debit Maintenance Account, and Credit Provision Account,

And the General average Cost of an Inmate for the week was

Average Cost in Infirmary

Average Cost in Fever Hospital

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely.

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously accertained by him, and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Glerk, having been duly entered up by him for the last week, ended Saturday, the 1575 day of March 1879, whereby it appeared that in that week the Total Expenditure in Out-door Relief was
