The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows) :-

Read Circular letter N^o 78,693 Miscellaneous dated 16th February 1906, from Local Government Board forwarding prescribed lists of Medicines, and Medical and Surgical Appliances, to be used when the contracts for the year, beginning the 1st April next are being entered into -

In advertising these Contracts the Guardians should stipulate that all tenders must be lodged with the Clerk of the Union not later than 12 O'clock noon on Saturday, the 10th of March 1906 in sealed endorsed envelopes - The Guardians should declare the contract on the next regular meeting day after that date, if the day of meeting falls on that date they should consider them on it -

The L G Board enclosed a copy of a Circular letter which they have transmitted to the Medical Officers with the revised lists -

Read Circular letter N^o 29.M. 1906 dated 27th February 1906, from same, stating that their attention has been drawn to the fact that some Boards of Guardians have recently adopted resolutions proposing that when tenders are being invited for the supply of Medicines and Medical and Surgical Appliances for the year commencing the 1st April next, a clause be inserted in the advertisement to the effect that only tenders from Irish Firms will be considered -

The Board think that the Guardians can hardly be aware within what very narrow limits any such action would restrict competition for these contracts only two of the firms at present holding Union Medicine

Contracts are really manufacturing druggists —

Proposed by Mr Galvin, Seconded by Mr Wolohan
Resolved —

That "tenders for drugs and medicines
will only be considered from Irish Traders" be added
to advertisement for Drugs —

Passed unanimously —

=

for the month of January on the children boarded
out in the Union, together with the school attendance
records for the period; and in reference thereto the
Board state that the foster-parents of the children
W Scilly, Ellen Devereux and Jane Young must not be
permitted to keep these children from school for the
purpose of working —

Order — Refer to Mr Murphy C.O. I Short

=

Read letter dated 5th March 1906, from
Mrs Fitzgerald, stating that she will meet the members
of the Board at a future date and demand compensation

Order — There is nothing due — I Short

=

Read letter from Mr William Rose, asking
the guardians to accept Messrs Charles Rose and
William Wright as sureties for the performance

of his contract for erecting electric bells in the Workhouse, instead of The Fidelity & Deposit Co of Maryland.
