## Topic

Community Development (incl. sports facilities & schools, etc.)

## Submission

Tracks/courses/setups for sports, running, skateboard/roller blades, calisthenics, body weight exercise like the US has, would allow for activities that don't revolve around eating and drinking, and if access can be free/low cost it would benefit social issues such as depression/suicide and others

## Topic

Local Transport Assessment / Transport Strategy Map

## Submission

Local shuttle buses throughout the day/eve between smaller surrounding villages and the town, would allow for connection as a community, without it, it's felt as an us and them outlook, which influences social divide

## Topic

Land Use Zoning / Specific Local Objectives / Land Use Zoning Map

## Submission

Social inclusion areas for both inside and outside, for local and foreign cultural diversity, with an aim to normalise differences between all

## Topic

Any other issues

## Submission
