Community Development (incl. sports facilities & schools, etc.)

Submission

I would like to have access to better sports facilities such as a swimming pool and a running track and an athletic training facility. Well-being is something very important to me and sport activities are socially and physically connected with improved health.

Local Transport Assessment / Transport Strategy Map

Submission

Better access routes to Dublin City centre. 65 bus is too full and the route is very long. We live close enough that it is not difficult to plan a trip in but it requires so much extra time and back up plans
