I would like to query why the magnificent trees either side of the avenue at Tinakilly House are not protected? This is one of the most beautiful areas in Rathnew/Wicklow Town and offers locals and visitors such respite in an otherwise busy, growing town. The trees are 100s of years old, a haven for a host of wildlife and a place of such natural beauty, tranquility, nature and biodiversity for all who live, work in and visit the town. They must be protected.
