## Submission

Hi,

We need a running track and proper athletics facilities in Blessington, West Wicklow.

I ask that sufficient land in the town is designated to accommodate a 400 meter track and associated facilities. This would be a facility that would be available to all the community- school, striders, community games etc.

With a rapidly growing community and so many children keen to partake in athletics, our upcoming stars have no where to properly train.

Kind regards

Lisa
