Topic

Heritage – Biodiversity- Green infrastructure- Climate Action- Energy

Submission

In relation to Green infrastructure in the Bray/Kilmacanogue area, please consider the following:

- The Kilmacanogue to Bray Retail Park Greenway would be a fantastic link for Bray and Kilmacanogue; taking pedestrians and cyclists off the N11; and could service a larger looped walk from Bray to the Sugarloaf / Little Sugarloaf. This project seems to have stalled since 2022 but should be re-ignited under the new LAP.

See a link to current plans: <https://www.wicklow.ie/Living/Services/Roads-Transport/Roads-Infrastructural-Projects/Active-Travel/Kilmacanogue-to-Bray-Retail-Park>

- As a continuation of this, consideration should be given to a Green route utilising the existing road networks of the L5530 (Kilmurray Cottages), L5029 (Quill Road), Donnelly's Lane and Red Lane; as a low traffic Green route for bikes/pedestrians that could link Kilmacanogue towards Glen of the Downs (i.e. at the Glenview Hotel).
