I have lived in Wicklow Town for 20 years. The lack of development of sports facilities for community access is astounding to me. Every town should have a public access facility to cater for multi-sports and community activities. Well-lit, safe ground with easy access for all is required. Look at Shanganagh Park, Cabinteely Park, Kilbogget Park as examples of facilities for all. Wicklow Town should have the same. The town has grown but the facilities have not.
