Submission

Hi,

My name is Caoimhe O'Brien and I live in Ballymore Eustace.

I'm part of a very active running group Lakeshore striders and I am writing to ask that you consider designating sufficient land in the town to accommodate a 400 meter track and associated facilities. This would be a facility that would be available to all the community- school, striders, community games.

I feel it's so beneficial not just for me but for my son who I would love to see have a place to participate in sports as he gets older. It's something that creates a great community spirit and encourages healthy habits and builds relationships.

Overall, I think it's hugely important to the town and to families.

Thank you,
Caoimhe
