Submission

The land on the northside of the Hawkstown Road between the Rocky Road and the Marlton Road should be zoned for amenity and development as a sports and recreation area. This type of facility is sorely needed in this part of Wicklow Town, there are a large and growing number of families in the area but no sports pitches (including 5 a Side pitches) or playground. Making this change will have health (including mental health) benefits.

Thank you,

Colm Ó Broin
